BOOST YOUR CAREER IN TECH

FREE ONLINE AWS TRAINING

AWS Cloud Foundations Training

Our AWS curriculum covers:

- **Cloud Platforms**
- **Containers**
- **Data Platforms**
- **Data Integration**
- **Data Visualization**

In addition, we may include a specialized bootcamp covering additional skills a hiring company is looking for (that may include additional cloud-related courses, and even career services).

Key advantages of enrolling to this program:

- **100% Online Courses**
- **Skill-Building Curriculum**
- **Career Pathways**
  - **Access to internships, apprenticeships, and potential employment**
- **Free Training**
  - No cost to learners

Ready to launch your career?
Discover how this bootcamp experience can kickstart your career and connect you with top employers.

ASU Arizona State University   **AZNext**

Workforce Training Accelerator Partnership

Learners can participate in this no-cost opportunity to gain in-demand AWS Cloud skills and connect with top employers.

The W.P. Carey School of Business at ASU and AZNext are thrilled to empower learners to **build essential job skills** and **gain hands-on experience** with industry partners—**all while earning a wage.**

What You Will Recieve

Completing the AWS Cloud Foundations bootcamp equips you with in-demand skills, opening doors to leading employers. Successful completion will earn you:
- Digital Certificate
- The opportunity to apply for a paid apprenticeship, internship or full time position with one of our industry partners

Admission Requirements

- Eligible to work in the US
- 17 years of age or older
- High School Diploma or equivalent
- Unemployed or looking to upskill/reskill

Training

Training will begin in **March 2025** with additional opportunities in Summer and Fall.

Placement

We'll guide you in developing the skills employers value most, and preparing you for high-demand roles.

Flexible Programs

Courses are **100% online** & available to learners anywhere in the US. I**n-person programs** possible for Arizona participants.

Seats are limited, so apply early!

Seats for this training are limited. Apply early to secure your spot and prepare for exciting career opportunities in cloud computing.
Apprenticeships, internships, and job placement are not guaranteed as part of this program, and are dependent upon availability and participant suitability.
